

## INDEX.

LIBRARY JOURNAL, V. 8. JAN.-DEC., 1883.

The superior figures tell the exact place on the page, the first figure which column, the second how far down in ninths. 120<sup>11</sup> means page 120, first column, one-ninth from top to bottom.

The colon after an initial of a given name, means that it is the most common name beginning with that initial, e.g., A: means Augustus; B: Benjamin; C: Charles; D: David; E: Edward; F: Frederick; G: George; H: Henry; I: Isaac; J: John; K: Karl; L: Louis; M: Mark; N: Nicholas; O: Otto; P: Peter; R: Richard; S: Samuel; T: Thomas; W: William; C: Charlotte; E: Elizabeth; F: Fanny; G.: Grace; H.: Helen; J.: Jane; K.: Katharine, Kate; L.: Louisa; M.: Mary; S.: Sarah.

By the use of few capitals, proper names and capitalized words are made more prominent.

By free use of abbreviations, mostly self-explanatory, more references are given in the same space. The apostrophe to mark omissions of letters in abbreviations is disregarded as unnecessary.

The index to Pseudonyms and Anonyms follows this.

- Argaueische. Kantonsbibliothek. Catalog, 167<sup>12</sup>.
- Abbe, *Prof.* Cleveland. Bibliog. of signal service, 109<sup>12</sup>.
